

COMPANY PROFILE

Delivering Global Trade Solutions

A trading solutions business under NEXA.

REGIONAL EXPERIENCE. INTERNATIONAL REACH.

SOURCING TODAY
A STRONGER TOMORROW

Connecting Businesses Across Markets.

NEXA Alliance is a trading solutions business under NEXA, a parent company, registered in Jordan in 2020. We connect buyers, suppliers and commercial partners across regional and international markets.

Our extensive network and access to leading companies support sourcing, negotiations and trading opportunities.

Our Vision

To be a trusted international trading partner, connecting businesses with opportunities and practical solutions.

Our Mission

To simplify trade through suitable partners, clear communication and lasting commercial relationships.

Our Solutions

Product Sourcing

Suppliers matched to specifications and commercial requirements.

Market Access

Connecting suppliers with prospective buyers.

Commercial Facilitation

Supporting communication and negotiations.

Transaction Coordination

Bringing relevant parties together.

Tailored Solutions

Aligning products and experiences with client needs.

OUR SECTORS

Commodities, Energy & Agriculture

Reliable supply. Global reach. Sustainable growth.

NEXA ALLIANCE connects producers, buyers and markets across key commodity, energy and agriculture value chains, delivering reliable supply and tailored trade solutions worldwide.

Energy, Oil & Gas

Oil and gas products, diesel
EN590 and Jet A-1 aviation fuel.

Power Generation & Industrial Equipment

Gas turbines, power generation
packages, combined-cycle systems
and mechanical-drive packages.

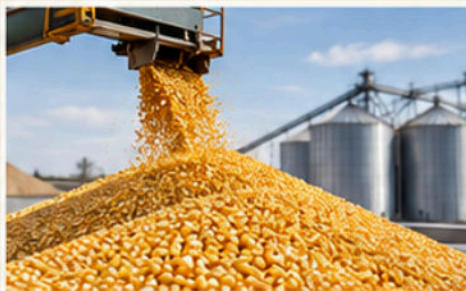

Fertilizers & Agricultural Minerals

Urea 46%, rock phosphate, potash,
NPK, DAP, magnesium sulfate and
potassium sulfate (SOP).

Industrial Chemicals

Granular, crushed-lump and pastille
sulfur; sulfuric acid and phosphoric
acid.

Agricultural Commodities & Animal Feed

Corn for human consumption and
animal feed, soybeans, wheat, barley
and soybean meal.

Food Commodities & Ingredients

White sugar ICUMSA 45, brown sugar,
wheat flour and powdered milk.

Edible Oils

Sunflower, palm, canola and
soybean oils.

Industrial & Consumer Products

ESSENTIALS FOR A STRONGER TOMORROW

NEXA ALLIANCE sources and supplies a diverse range of industrial and consumer products, connecting reliable suppliers with global markets. We ensure quality, consistency and efficient trade solutions across every sector.

Frozen Food & Poultry

Frozen whole chicken, breasts, drumsticks, wings, feet and paws.

Beverages

Bottled water, juices, soft drinks, tea, coffee and beverage ingredients.

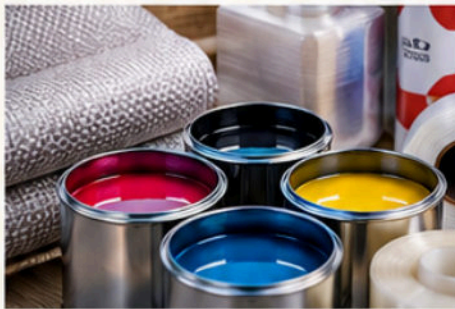

Pharmaceuticals

Pharmaceutical products and sourcing solutions.
